The purpose of the MLS tour is to get your new listings exposure to active real estate licensed members with hopes that they are working with a buyer who may be interested in your listing. It is also a great tool for agents to become familiar with what's available. Please note: the majority of homes will fall in the West Tour and therefore the first West Tour after a East or South Tour will often have a lot of homes on tour (more than what you can tour in 2 1/2 hours). Keep this in mind when scheduling your listings on tour.

PROCEDURES FOR THE WEEKLY MLS TOURS

- No monetary value incentives for homes placed on the tour. Refreshments are welcome.
- Speaking time is limited to 30 seconds per listing.
- Homes may be added to the Tour by 2:00pm the day before tour – following procedures below:
 The Board of Directors approved a procedure that will allow you to add a home to the Tours no later than 4:00pm the day before the tour (or 4:00pm on Friday if Monday is a holiday) if it was not submitted in time to be on the Tour Sheet.
 - A check for \$50.00 made out to SAMLMS must be submitted Tuesday morning.
 - If you plan on adding a home, please notify a staff member and the MLS Director as soon as possible.
 - If you wish you can bring copies of the listing information to pass out but it is not necessary.
 - Be prepared to stand and announce your home during the meeting.
- New construction homes shall have the cabinets installed before placing the home on Tour.
- Non MLS related issues shall not be announced or discussed during the meeting.
- Anyone wishing to speak about a non MLS issue shall have prior approval at least one (1) week before the meeting from the MLS Director. If the MLS Director is not available, please contact the Association Executive or the current President.
